Hi Jim,

Can the engineer wait until Julie's back? I want to make sure we include everything and it will be helpful to have her double check. If they give any pushback, please have them call me (617-983-6241) or email. Thanks.

Grace

Hi Grace,

Sorry to bother you but Julie is out of town. UMass is finishing up construction of the Vivarium Project and one of the engineers asks what work was needed in our main Lab. Do you have a list of the work that UMass promised DPH?

Thanks,

Jim Hanchett
